

April 2019

**AHERA ANNUAL NOTICE
LAFAYETTE SCHOOL CORPORATION**

This information is being published to comply with the requirements of 40 CFR 763, Subpart E, Asbestos Containing Materials in Schools. This regulation, commonly known as the "AHERA" rule, requires local education agencies, such as this one, to perform certain tasks regarding the presence and control of asbestos containing materials in the buildings under the jurisdiction of the local education agency.

These include but are not limited to:

1. Developing an asbestos management plan which is designed to outline procedures and guidelines for the initial inspection, triennial re-inspections, and 6-month periodic surveillance of asbestos-containing materials that are present in the buildings.
2. Provide awareness training and additional training to selected school employees.
3. Periodically notify all workers and occupants, or their local guardians, parent teacher organizations, and collective bargaining organizations of the availability of asbestos management plans, the location of same and the times that the plans may be reviewed.

This notification is to advise all patrons, occupants, or their legal guardians, collective bargaining organizations, and parent-teacher organizations, that the asbestos management plans required under this act are available for review upon request. The plans can be viewed by any person during normal business hours of the school. Interested parties wishing to inquire about the plans should contact the individual school office. Master copies of the plans for all buildings under the jurisdiction of this local education agency are available in the Facilities Management Buildings, which is located at 1505 South 18th Street, Lafayette, Indiana 47905; telephone number (765) 772-4790. Inquiries regarding any facet of the regulation or the management plans should be directed to Mr. Chuck Bear at the above telephone number during regular business hours.

Lafayette School Corporation school facilities and buildings which contain asbestos-containing materials (ACMs) and must comply with the 40 CFR 763, Subpart E (AHERA) regulations include:

Jefferson High School, LCS Career Center, Lafayette Sunnyside Middle, Durgan, Glen Acres, Linnwood, Miami, Thomas Miller, Murdock, Oakland and Washington Elementary Schools, Hiatt Administration, Crawley Field, Facilities Management Building, Learning Center, Opportunity School, Kossuth Church.

Listed is a brief description of asbestos projects currently ongoing and completed at our facilities this past school year, as well as activities currently scheduled for the 2019/2020 school year. Detailed reports of each activity will become a part of each school's asbestos management plan and may be reviewed online.

- * The next required triennial re-inspection will be conducted in November 2021
- * The required six-month periodic surveillance was conducted in December 2018.
- * The required six-month periodic surveillance activities are scheduled for May and November each year.
- * 2018 projects included: Durgan Elementary School, Jefferson High School and Linnwood Elementary School
- * Projects scheduled for 2019/2020 with possible asbestos abatement: Glen Acres Elementary and Jefferson High School

School facilities and buildings that are asbestos free and require no surveillance or reinspection are:

Edgelea, Vinton and Earhart Elementary Schools, Tecumseh Middle School and the Warehouse Service Building

EXHIBIT A

We would suggest that you consider printing the following:

In accordance with the US EPA's AHERA Standard (ref: 40 CFR 763.80), all information concerning asbestos-containing materials in the schools of the Lafayette School Corporation is available for review and copying by students, staff and guardians during normal business hours.
