June 22, 2022

Dear Students, Parents, and Guardians:

Final report cards for the 2021-2022 school year are now available through the [Genesis Parent Portal](#) or [Genesis Student Portal](#) found at the bottom of our high school webpage at <http://hs.hpschools.net/>. Please log in to review the final grades and comments about student achievement this year. If you need assistance logging in, you may contact the High School Main Office at the phone number above. A copy of final report cards will be mailed tomorrow. A separate letter detailing any student fines for lost textbooks or other school property will also be mailed and posted in Genesis. It is important that these fines are collected to purchase replacement books, uniforms, etc. to meet the needs of our students in 2022-23.

Summer assignments have been made available to students taking AP courses next year and are posted on our high school website on the main page or at [Summer Assignments 2022-23](#). Please review and complete the assignments relevant to your courses for next year prior to the beginning of school in September. **All students should participate in summer reading by choosing a book to read from the suggested Summer Reading list or a book of their choice.** I look forward to every student reading a novel or book that supports our efforts to encourage lifelong reading. If you have questions about any summer assignment, please email the contact teacher listed on the assignment or call us at the phone number above and we will assist you. **If you are registered for the High School Summer Recovery Academy due to loss of credit or course failure in English Language Arts, Algebra I, or Algebra II this year, please be prepared to attend the first session on July 5, 2022, in person at 9AM in the high school. More details will be sent to those students next week.**

As we conclude this very long and challenging school year, I want to thank all of you for your continued efforts to make our high school one of the best in the state. I look forward to the Class of 2022's success as they begin their college and work experiences. I am proud to serve the community as Highland Park High School's principal and to work with our wonderful student body and faculty. As always, I remain dedicated to educating our students and assisting our teachers in this process.

I hope that everyone enjoys a well-deserved summer vacation and spends time relaxing with family and friends.

Sincerely,

CC. Dr. Kristina Nicosia, Superintendent
