

Ledyard Public Schools

Administrative Offices

Dear Ledyard Families,

State/Federal funding for universal free meal programs is set to expire at the conclusion of the 2022 summer. We still need the support of the **entire** school community in order to help those who need it the most and ensure that Ledyard receives the funding it deserves through various State/Federal grants.

Whether you choose to participate in the free meal program or not, simply completing a Free and Reduced Lunch application helps our community:

- ★ Receive state funding, thereby reducing the district's cost to Ledyard taxpayers
- ★ Receive grant opportunities that provide essential education to our students most in need
- ★ Provide no cost or reduced cost access to student benefits including athletics, field trips, testing fees, and college application fees

These applications are strictly confidential, and can be returned to the Central Office at 4 Blonders Boulevard via mail or via our secure drop box. You can fill out the application using the links provided below:

[Mandarin](#)

If you would like a hard copy of the Free and Reduced form, kindly contact the school secretary or contact Eva Aller, Business Office Secretary, ealler@ledyard.net or 860-464-9255 x1300.

We appreciate your support for this important program and we look forward to seeing your students in September!
