July 11, 2022

Dear Parent/Guardian:

Our school is participating in a federal program available to select schools as part of the National School Lunch and School Breakfast Program called Community Eligibility Provision (CEP). This means that all students attending in-person in Port Angeles School District are eligible to receive breakfast and lunch at no charge throughout the 2022-23 school year, regardless of family or household income. However, some of the education programs the district provides are funded from state dollars that require our school to collect household information for all students attending CEP schools.

In order to collect the information, the Office of the Superintendent of Public Instruction (OSPI) has developed the Family Income Survey. The Family Income Survey is used to capture information and ensure the district/school receives all of the funding it is entitled to for other state funded education programs.

Please take a moment to complete this form and return it to your student's school. Your participation is essential in order for us to provide OSPI with the information they need and ensure our schools will continue to receive critical state funding for these educational programs.

Thank you in advance for your cooperation in this important matter. If you have any questions, please contact 360-565-3751.

Sincerely,

Port Angeles School District

Martin Brewer

Special Services

**National School Lunch Program/School Breakfast Program
2022-23 Letter to Households (CEP)**

Basic Food

Can I qualify for assistance in buying food? Basic Food is the state's food stamp program. It helps households make ends meet by providing monthly benefits to buy food. Getting Basic Food is easy! You can apply in person at the local DSHS Community Service Office, by mail, or online. There are other benefits too. You can learn about Basic Food by calling 1-877-501-2233 or by logging on to <https://www.dshs.wa.gov/esa/community-services-offices/basic-food>.

Health Coverage

To inquire about or apply for health care coverage for kids in your family, please visit <http://www.wahealthplanfinder.org> or you may call Washington Health Plan Finder at 1-855-923-4633.

We are in the military. Do we report our income differently?

Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food, or clothing, it must also be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Any additional combat pay resulting from deployment is also excluded from income.

Proof of Eligibility

The information you provide may be verified at any time. You may be asked to send additional information to prove your child is eligible to receive free and reduced-price meals.

Resubmission

You may resubmit your Family Income Survey any time during the school year. If you should have a decrease in household income, an increase in household size, or become unemployed, or receive Basic Food, TANF, or FDPIR, you may be eligible for benefits and may fill out a new survey at that time.
