

# Basic Skills Parent Information Session

## Avon School:

Laura Durham

Mary Glass

Cindy Yellin

## Woodland School:

Angela Mollet- Mathematics

Jacqueline Lauk – ELA

Title 1 Coordinator: Lindsay McCarron

# What is Title I?

Title I of the Elementary and Secondary Education Act of 1965

The purpose of Title I under the Elementary and Secondary Education Act of 1965 (ESEA) is to ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging state academic achievement standards and state academic assessments.

# Basic Skills Instruction

Basic Skills Instruction responds to a need to strengthen reading, writing, and mathematical skills of students who are struggling to meet grade-level expectations.

Students receive additional instruction to learn skills and strategies within the General Education program to help them achieve success.

This supplemental program recognizes individual learning differences and strives to build students' competence and confidence.

# Why was my child selected for BSI?

Students receive support based on district and state criteria, benchmark assessments, and performance in the classroom.

Examples:

- Previous Participation
- NJSLA Scores
- MAP Scores
- Classroom Assessments and Data
- Report Cards

# What is the schedule for BSI?

- Tier II: 2–3 Times Per Week  
(4–6 Students)
- Tier III: 4–5 Times Per Week  
(1–2 Students)

\*Tier 1: Students receive additional support from their classroom teacher within the class setting through small group instruction.

# How will I know how my child is doing?

- Basic Skills Progress Reports will be sent home twice a year: 2nd and 3rd Marking Period
- Conferences
- E-Mails

## How long does BSI last?

- BSI programming is available throughout the duration of the entire school year.
- If the Basic Skills Instructor and Classroom Teacher feel that a student no longer needs basic skills instruction, he or she can be exited from the program provided the student meets the established academic criteria.

## How are lessons determined?

- Based on information from the following sources:
  - New Jersey Student Learning Standards
  - MAP assessment data
  - Classroom teacher input
  - District assessments/State assessments
  - BSI/Classroom teacher assessments

# Language Arts Programs

\*Journeys Reading Program:

- Practice Books
- Write-In Readers
- Leveled Readers

\*Common Core Coach

\*Achieve3000

\*Readworks

\*Sonday Program

\*Foundations

\*Wilson

\*Leveled Literacy Intervention

# Mathematics Programs

- GO MATH (Grades K– 5)
- ConnectEd (Grades 6–8)
- Maneuvering Math (5–8 Basic Skills Support)
