STEP HANDBOOK

Welcome to the Sevastopol School District Senior Tax Exchange Program. The district is very proud of this program and hope you will enjoy your association with the Sevastopol School District.

RATIONALE

It is hoped that this inter-generational program will bring seniors into the school as positive role models and valuable helpers. It is further hoped that this program will be able to return to the senior a property tax rebate for their service.

This program will be funded through monies in the district fund 80 community fund. The general education fund will not be used to support this program.

The Sevastopol School District is excited about this opportunity to involve the school district seniors in the process of education and schooling while returning to them property tax relief.

POLICIES AND PROCEDURES

A variety of policies and procedures govern the work of the school district, some of which are described in this handbook. A full set of district policies and regulations are available in the district office.

WHO TO CALL

The STEP coordinator can be called anytime at 920-743-6282 ext 1103.

SUPERVISION

STEP workers are under the immediate supervision of the staff person assigned to work with them. The principal, or their designee, is on call to facilitate discussion or problem solve at the request of the worker or supervisor.

ROLE OF STEP WORKERS

STEP workers function as support for the regular staff. If a child needs to be disciplined, the STEP person should refer the issue to the appropriate supervisor. If child abuse or neglect is suspected, the STEP person must report the suspected situation to a nurse, social worker, teacher, administrator, or counselor.

LOCATION OF STEP WORKERS

All STEP workers will be placed in schools where the STEP program has been implemented.

VISITORS TO THE SCHOOL

All visitors to the school buildings must first report to the high school office where they shall identify themselves and the nature of their visit. STEP workers should sign in at the school office with the appropriate staff personnel.

REPORTING ACCIDENTS AND INJURIES

All workers shall immediately report any personal accident or injury occurring upon school property to her/his immediate supervisor. Also, any accident or injury to a student should be immediately reported by the STEP worker to the appropriate school staff.

DRILLS FOR EMERGENCIES

Each STEP worker will be in serviced on proper emergency drill techniques for the particular building in which she/he is working.

EMERGENCY CLOSINGS

Local radio/tv stations will relay announcements regarding school closings.

SEVASTOPOL SCHOOL DISTRICT SCHEDULE

A current school calendar will be shared with the STEP worker at their initial meeting with their assigned school facilitator.

PAYMENT OF STEP WORKERS

Pay is **\$8.00** per hour. Compensation will be dispersed via a check made out to the appropriate treasurer on January 25 of each year.

70 is the maximum number of hours for which pay can be earned. If the worker exceeds that number of hours, she/he will only receive payment for the pre-established number of hours initially agreed to in the STEP contract.

TIME SHEETS

Each STEP worker is responsible for seeing that her/his time sheet is completed. The STEP worker is encouraged to make a personal copy of the time sheet on the school copier prior to turning it in.

EVALUATION

The STEP coordinator will periodically speak with STEP workers and job supervisors to evaluate the program, discuss job concerns, and identify means of improvement. Please feel free to bring comments and/or suggestions to the attention of your immediate supervisor, the principal, their designees, or STEP coordinator.

HIRING GUIDELINES

1. Applicant must be a permanent resident in the Sebastopol School District.
2. The primary method of placing applicants is to match their job goals with the staff requests. If two persons seem equally qualified, the person with the earliest application date will be given priority.
3. First priority in placing workers is to make workable matches in longer term jobs.
4. Secondary consideration will be distribution of workers throughout different grade levels and departments.
5. Work should be accomplished during school hours.
6. In order to make STEP available to everyone on the limited budget:
 - a) The practice of requesting a particular person for a STEP job is discouraged.
 - b) The practice of family requesting family to work for them is discouraged.
 - c) Hiring of previous employees will be on a limited basis.
 - d) Hiring of previous volunteers is acceptable.
7. Any questions or comments regarding these guidelines are to be directed to the STEP coordinator.
