

# JOIN THE MACON COUNTY MIDDLE SCHOOL VOLUNTEER PROGRAM

We recognize that in order to be successful in school, our students need support from both the home and school. We know a strong partnership with parents/guardians will make a great difference in our students' education. As partners, we share the responsibility for our children's success and want you to know that we will do our very best to carry out our responsibilities. Please consider joining our school volunteer program as our students can greatly benefit from your involvement and contributions to the school's program and its operations. Please contact Dr. George McElroy, Principal at (478) 472-7045 if you have any questions or concerns.
