

Delphi Oracles

From the Desk of Principal Sims

Delphi Community High School is a great place to be! Our staff and students are an excellent source of pride for our school community, and I enjoy working with each of them on a daily basis. I hope that students take advantage of Delphi Community High School's numerous options, both curricular and extracurricular. Our teachers are professionals who are dedicated to providing our students with a quality education, and our extracurricular sponsors strive to improve our students in areas outside the classroom as well. It is my hope that the school year is fun, fulfilling, and fabulous in a variety of ways!

If you haven't done so already, please check out the parent portal on Skyward, which provides valuable information about your student's attendance and grades. This is available 24/7 via the Internet. Skyward is a great resource for parents and students regarding homework and class assignments

It is my deepest desire to make EDUCATION at DCHS fun and exciting!

"IT'S A GREAT DAY TO BE AN ORACLE"

Should you have any questions or comments along your journey through our school, please contact me either by phone @ 765-564-3481 ext. 2005 or by email simsk@delphi.k12.in.us
