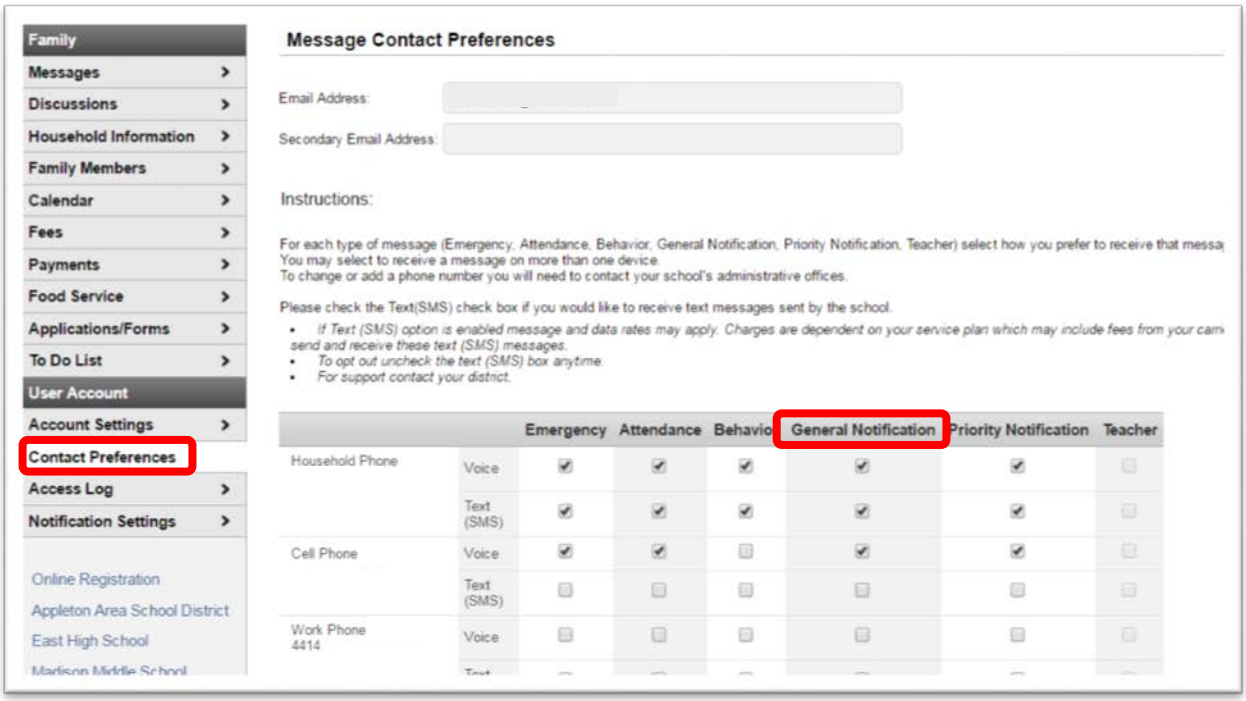
How do I set my preferences for how I want to be contacted for school delays and closures?

In order to ensure you receive automated calls from the district regarding school closures for inclement weather, please log into the portal and update your preferences.

Log in: https://appletonwi.infinitecampus.org/campus/portal/appleton.jsp

This option can be found on the left hand menu under “Contact Preferences”.


Confirm the correct phone numbers are on record and check the box under “General Notification” on any number you wish to receive these calls. If your phone number needs to be updated, please see separate guidance on our Infinite Campus FAQ page.
