Monday, October 17, 2022

Greetings Appleton North High School Families,

I hope that this letter finds you and your families well. We are finally adding to our driver pool here at Lamers Bus Lines. The change that we will be implementing will take effect in the morning route for Appleton North High School students only.

I have spoken to many of the households regarding the overcrowding on the buses, and we are happy to announce that we have a new driver joining the existing route buses at Appleton North High School.

This change will take effect on Tuesday, October 25, 2022. We have attached a new set of transportation information for your student. Your students timing may have changed from only a few minutes, whereas some of your students timing will have changed up to 20 minutes earlier or later. I also want to bring to your attention that your student may be on a different route bus for the morning commute only.

If your student is not utilizing the Lamers School Bus transportation for the AM/PM routes, or the AM only or PM only, please feel free to give us a call or shoot me an email with regards if they are riding or not. My contact information is listed below.

Thank you,

Tracy A Schipper
