In each math class at Appleton North, there will be times when a calculator is NOT allowed. Some quizzes or tests (or portions of them) may be non-calculator-based.

**CELL PHONES MAY NOT BE USED IN PLACE OF A CALCULATOR.**

## 2022-2023 Material Fee Request Form

There is a \$25.00 material fee associated with FCLA. Due to our integrated curriculum, all students will be exposed to a variety of art projects with a range of required supplies. This fee will be used to offset the cost of those consumable supplies as well as for field trips. This fee is in line with what students pay in North art classes.

If you are unable to pay or have questions, please do not hesitate to contact FCLA staff. If your family benefits from free or reduced lunch, you are not required to pay the fee. We do ask that the fee be paid by September 23, 2022.
