

# Our Mission & Beliefs

## Mission Statement:

*Our mission at Christiansburg High School is to provide opportunities for all students to become productive and responsible citizens as they prepare for life in our ever-changing world.*

## Our Beliefs:

*We, the faculty and staff of Christiansburg High School, believe that our learning community should provide opportunities for students to become more...*

- **Respectful**
  - > Develop respect for themselves, other people, and the world around them.
  - > Learn to be tolerant of differences that exist in people, cultures, and opinions.
- **Responsible**
  - > Develop a sense of personal responsibility for their learning and their actions.
  - > Enrich their academic, fine arts, and career/technical skills.
  - > Learn and mature in a safe, nurturing environment.
- **Connected**
  - > Become actively involved in their school environment.
  - > Develop social skills that will equip them to communicate effectively and adapt successfully to their environment.
  - > Grow socially and emotionally, while using resources that include the school and the community.
