

# FOURTH GRADE GAZETTE

Gilbert Linkous Elementary School

October 14—18, 2019

Volume 7 Issue 9

## New Quarter, New Beginning

With report cards we will be sending MAPP reports for your child. If they were GLE students last year, the scores will be compared to last year's.

A parent information letter explaining your child's MAPP scores will be presented in parent teacher conferences.

Please sign the report card envelope and return to school as soon as possible. You may keep all of the contents of the envelope.

Every quarter is a fresh start for grades and work habits. Encourage your student to work hard everyday.

### Reading: Mrs. Hill

This week we will be working on some basic reading comprehension skills in small groups while reading and solving some mysteries together. Students will continue to put their new root words and prefixes in use while preparing for their next vocabulary quiz. Students are starting fresh with their next AR goal, there may be a book you could read together that you both would enjoy!

## Science: Ms. Mullins

The weather unit will conclude this week as we gain more insight into air masses, fronts, and how meteorologists forecast the weather. Look for a study guide to come home later this week.

There will be a test on the material sometime next week .

## Math: Mrs. Pleasant:

*We are completing the Chapter 3 Unit of 2 x 2 digit multiplication problems. We have practiced multiple methods of solving these problems, and today in student planners there will be a list of JXL activities to help prepare for the test.*

*The test will be this Thursday, October 17th. There is also a VA Studies test on that day so please help your children understand the value of studying a little at a time, not just waiting until the night before the test.*

*We will have a review Wednesday on all the concepts covered in the test.*

**Please complete the Portal registration and Care Docs as soon as possible. GLE Staff members will be on hand to help navigate the system with you on the evening of Oct 17, 4—7:30 p.m.**

## Virginia Studies: Ms. Mullins

The Chapter 2 study guide will go home today. Students should also study information in their notebooks including the recognized tribes of VA Indians today. The Unit 2 First Virginians test will be this Thursday, October 17th.
