

# FOURTH GRADE GAZETTE

Gilbert Linkous Elementary School

October 7—11, 2019

Volume 7 Issue 8

## Please Sign Up for Conferences, Thanks!

We will be scheduling conferences beginning October 14th. A Sign Up Genius will be sent to your email with available times, today. We look forward to meeting with you all as a team!

Conferences are in 15 minutes intervals, often times back to back. Please make every attempt to arrive at your scheduled times, and we will try our very best to keep on schedule. Thank you,

### Reading: Mrs. Hill

We will be wrapping up our unit on Author's Purpose this week. Students will begin independently reading some mystery novels in class while we practice some basic comprehension strategies of short texts in small groups. As this is the last week for AR Points, you can find some books to read together to help them achieve their goals!

#### In this issue:

4th Grade News	1
Language Arts	1
Science	2
Math	2
Social Studies	2

#### Upcoming dates:

Oct 11 Walk a Thon

Oct 15—18th Scholastic Book Fair

Oct 18 VT Field Trip

Oct 31 Early Release

## Science: Ms. Mullins

Students are researching 4 cloud types and creating a Google Doc to record their information. We'll get to weather fronts this week, which can be very challenging for 4th graders, (and their teacher!) You can help by watching weather reports at home and discovering which fronts cause which types of weather.

**Please complete the Portal registration and Care Docs as soon as possible. GLE Staff members will be on hand to help navigate the system with you on the evening of Oct 17, 4—7:30 p.m.**

## Virginia Studies: Ms. Mullins

Native Americans language groups, tribes, and map quiz Wednesday; students are bringing home notebooks and can also use their VA Studies folders. We will finish this unit with VA Indians today; Unit test will be next week.

## Math: Mrs. Pleasant

*We are learning three different algorithms for multi digit multiplication. Students will be able to choose the method they prefer moving forward. You would be surprised which one ends up "clicking".*

*Students are discovering during this unit why multiplication facts matter! Please encourage your child to practice facts 1-12 at home, using Reflex or any other method. They*
