

FOURTH GRADE GAZETTE

Gilbert Linkous Elementary School

December 9-13, 2019

Volume 7 Issue 15

Tis the Season for MAP Testing!

Coming soon...

- * Please be sure students have jackets, hats, gloves etc. for cold weather recess. We go outside any chance we can.
- * Please let us know if your child is leaving early for winter break. Because it is the end of the quarter, they may need to complete some assignments before you leave.
- * We are having a \$1 gift exchange in fourth grade. Please check folders for more info this week.

Reading: Mrs. Hill

This week, students will work on their biography projects in class. We will also be discussing and participating in activities related to the novel they have been reading in class. Keep reminding students to reach their AR Goal! There is ample time after MAP testing this week for silent reading.

In this issue.....

4th Grade News	1
Language Arts	1
Science	2
Math	2
Social Studies	2

Upcoming dates:

- Dec 10, Map Testing: Math**
- Dec 11, Map Testing: Reading**
- Dec 12, Map Testing: LA**
- Dec 19 E2 Holiday Play 2:30**
- Dec 30 Early Release 1:15**
- Dec 23-Jan 3 Winter break for all students.**

Science: Ms. Mullins

Due to the upcoming holidays, we will have our Electricity test Monday, 12/16. It will be an open-book and open-study guide test. The study guide will be in science folders and will go home tomorrow so students can have time to get familiar with it. There will be a few questions on Force/Motion and Energy as well.

Math: Mrs. Pleasant:

We will finish our Chapter 5 unit on factors, multiples, patterns and graphing on December 17th. Students are working on graphing packets and projects this week while our block schedules are "off" because of MAP testing.

There are JXL lessons in student planners to help prepare for the test. Think Central, Chapter 5 is also a great resource for study.

If you are on Twitter you can follow Mrs. P's Lizards @p_lizards for daily snapshots of fourth grade goings on. Our Charlie Brown Thanksgiving was a huge hit! Thanks for your support.

Virginia Studies: Ms. Mullins

We are continuing our study of the growing VA colony, including the growth of agriculture, slavery, VA's capital moving to Williamsburg, and the economy of its people, leading up to the Revolutionary War.
