Math: Mrs. Pleasant:

Your child was given time in class yesterday to work on math redo tests. If they did not finish, it will go home for correct and return points this afternoon.

We are beginning a new unit this week on 2 x 2 digit multiplication. We will learn 3 methods for solving these problems, the students will be able to choose which they prefer.

We have 15 students who have achieved 100% fact fluency in the fourth grade so far. Congrats!

Please keep sending in box tops, glass jars and can tabs for various 4th grade and GLE service projects.

Thanks for all the jars already sent.

Virginia Studies: Ms. Mullins

We are starting our new unit on "First Virginians"; students should review the 3 language groups and the tribes as we go through the unit. Work on pronouncing "Werowocomoco"!
